

ThousandEyes

PARTNER CONNECTION

ThousandEyes is
now part of Cisco.

ThousandEyes Partner Connection

ThousandEyes Partner Connection is a one-of-a-kind event that connects us together to accelerate the power of partnership. It's a chance to share ideas, create and connect. This event is an opportunity for partners to understand how to develop valued expertise in supporting high-performance applications and solving other digital experience problems every enterprise faces in their digital transformation journey.

Americas - February 23, 10am-12:30PM PST
EMEAR - February 24, 10am 12:30PM GMT
APJC - February 24, 10am 12:30PM SGT

Register: ThousandEyes.com/partners

Why Attend?

Highlighting customer pain points, solutions, market relevancy, and enablement, this event will focus on connecting you with the information and tools you need to harness the power of partnership to drive better customer outcomes.

What to Expect.

You will get an inside look at all things ThousandEyes. Executives will open their playbooks and give you everything you need to build and grow a sustainable business with ThousandEyes while helping your customers deliver better digital experiences.

Who Will be There?

Everyone! If you partner with ThousandEyes or are interested in partnering you don't want to miss this event. There will be a mix of Executives, Channel Sales Leaders, and honestly, anyone who's interested in creating connections, opportunities, and better digital experiences at the push of a button.
